Writing Prompt for Class

You are a geographer with exceptional skills as an urban planner. You wish to be hired by the new town council of ________________ that will be hiring urban planners to create a city near ________________, Arizona. The town council has determined that the city will have all of the features included on the Create a City diagram sheet. In order for you to get this job that will pay very well, you need to persuade the town council that you have the best ideas for the new city. So with your group, you need to plan a city on a piece of construction paper that will promote all of the positive aspects of growth that were listed. Then you will write a 2-page speech that would be presented to the town council stating why you located these features in such a way as to create a wonderful new town.
Assessment for Class

In your 2-page written speech, you need to include:

1. Why city services (government offices, school, library, post office, landfill, jail, fire and police departments, and prison) were placed in certain areas?
2. Why businesses (office complex, industries, strip malls, and shopping center) were located in certain areas?
3. Why recreational (golf course, parks, and theater) facilities were located in certain areas?
4. Why housing (homes and apartments) were located in certain areas?
5. Why roads (freeways) were placed in certain areas?

You written speech will be graded on voice and ideas, so make sure your speech has formal language that would be used in a town council meeting, and you have answered all of the 5 questions above.
